Indooroopilly school has over 200 teaching staff and 2100 students. Springfield school has approximately 350 students and 30 teaching staff.

Ms Winn has led and managed all aspects of curriculum, assessment and reporting across all four sub-schools and all academic programs at Indooroopilly. In addition, she has supported and provided oversight of curriculum and pedagogy at Springfield. The new Head of College holds a Master of Education degree from Deakin University, Graduate Diploma of Management (University of Central Queensland) and a Master of Human Resources Management (University of Central Queensland).

Ms Winn brings to the position, experience in managing human relationships to create a culture of collegiality, the development of a collaborative, open learning community, and the ability to lead others to develop exemplary teaching and learning strategies to advance student learning.

I am sure you will join me in congratulating Ms Winn on her appointment and welcome her to Moreton Bay College in 2016. A time will be arranged for Ms Winn to visit the College and have the opportunity to meet with staff later in the term.
